1. A motion was made and affirmatively voted on to subsidize 25% of the cost of the mid season marathon training party at Chicago Dough. (Note: The event was subsequently held and the entire tab was picked up by Cary Pinkowski of the Chicago Marathon.
2. Dick made note of the fact that we need to start preparations for the Mid Winter Cruise. Fred M. agreed to start the search for a Race Director.
3. Fred M., on behalf of Dave Mauger (the Frogger) discussed the issue of the possible lot purchase of Bondi Bands with the club logo. Bondi Bands are essentially an elastic sweat band for the forehead. Prior to pursuing the issue of Bondi Bands any further it was decided to ask Dean Gaffney to see if he had access to a similar product. (Dean subsequently advised that he did not.)
4. Fred M. reported that the Palos Recreation Dept. returned our race clock in damaged condition after leasing it for one of their events. Mark Leschuck, our club 'engineer' agreed to do what it would take to get the clock repaired.
5. Fred M. agreed to talk to Joe "Mom" Baska about water stops at Yankee during the month of August.
