1. The primary focus of the meeting was the running of the Progressive Marathon. After much discussion it was decided to once again do a Progressive Half Marathon in 2009 for the following reasons:
  - A. Due to the resignation of the previous PM Race Director there would not be sufficient time to develop a PFRPC 10 mile race.
  - B. Late August legs are always problematic due to earlier and earlier sunsets.
  - C. The time commitment for a full Progressive Marathon where a core group of volunteers would give up Tuesday evenings and Sunday mornings for a full month in the current 'job demanding' economic climate was a consideration.
2. The 2008 Progressive Half only did legs on Sundays. The 2009 Progressive Half will be on 2 Sundays, 2 Tuesdays, and there will be a make up day. The dates for our 2009 event are Tuesdays 8/4 and 8/11, and Sundays 8/9 and 8/16. The make up day will be Saturday, 9/5/09.
3. It was agreed that the club would continue to explore the possibility of running a 10 mile race as part of a full Progressive Marathon in 2010.
4. The 2009 Progressive Half Marathon will be run by the club officers.
  - a. Fred will secure permits, sponsors, and arrange for medals.
  - b. Fred will recruit Leg Captains.
  - c. John Kotash will assume his usual task of fabricating trophies and laminating runner numbers.
  - d. John also agreed to develop the race entry form for insertion into the next club newsletter.
